Youth Leadership Authority

Program Informational Brochure

Youth Leadership Authority

Youth Leadership Authority applies the principles of discipline, leadership, and teamwork that are so well modeled by the United States Marine Corps. These traits combined with continuous and achieved physical fitness challenges, mentoring, and community services efforts bring about a positive change with new formed habits. We pride ourselves in knowing 82% of our program participants go on to college. Our goal is to instill LEADERSHIP Values.

Mission

To provide a variety of building-block opportunities for today's youth, their families, and educators; by offering a variety of continuous physical training programs, life-application tools, and community service programs that will develop America's leaders with character and integrity to secure their future.

Motto

Inspiring Focused-Driven Leaders!

Slogan

"Building America's Youth… One Teenager at a Time"

Vision and Purpose

Allow me to take this opportunity to present an exceptional youth leadership program to you. The all-encompassing Youth Leadership Authority (YLA) is a non-profit organization that offers variety of youth leadership training programs for males and females, ages 13 to 21. Our goal is to keep teens continuously engaged in life-skill programs, mentoring, physical training and community service projects all through their school careers, thus leaving them balanced and self-confident as they grow into adulthood.

Youth Leadership Authority is a Non-Profit 501c3

If you are interested in sponsoring a teen in leadership, contact Marie Tomao at (702) 285-4142 or make a donation at www.youthleadershipauthority.com

YLA Military Education and Leadership Training

(Ran concurrently with SNDP- May - August)
Males and Females, ages 13 – 21

YLA's 12-week Preliminary Training Program is a strenuous physical, educational, and community service training program that works! This program helps teens to be self-sufficient through weekly physical training sessions and mentoring meetings with volunteer United States Marines, past accelerated graduates, and successful adult volunteers.

Community Service Pod

(Year round)
Males and Females, ages 13 – 21

All of our students must take part in community service projects throughout the Las Vegas valley in an effort to "pay it forward to the community that gives to them" and to promote earning, giving, and kindness.

Explorer Leadership POST

(Coming in 2017- Year around)
Males and females, ages 16-21

In order to broaden exposure to teens who may want to investigate a career as a police officer, firefighter, or in one of our military branches YLA offers an Explorer Leadership Post that will be a continuation of leadership offerings.

Career Choices with Mentoring Life- Application Maps

(Year round)
Males and Females, ages 14-21

Through mentoring and quarterly meetings this training program will offer a variety of motivational speakers that will speak about career, college, military choices, bullying, and positive life choices.
