Powered by Community

As a leading renewable energy developer, Sempra U.S. Gas & Power believes that solar energy creation is a powerful way to improve lives.

That's why our employees at Copper Mountain Solar are proud to support Boulder City Hospital Foundation's Art in the Park – a cause that also improves the community in powerful ways.

SempraUSGP.com

Sempra U.S. Gas & Power, LLC is not the same company as the California utilities, San Diego Gas & Electric Company (SDG&E) or Southern California Gas Company (SoCalGas), and Sempra U.S. Gas & Power, LLC is not regulated by the California Public Utilities Commission.

Welcome to Art in the Park 2015!

The Boulder City Hospital Foundation is pleased to host the 53rd annual Art in the Park! Art in the Park is a grand tradition in our community and Southern Nevada. This year's event features more than 325 artists, a variety of tasty food offerings and numerous other attractions.

The funds raised through Art in the Park help Boulder City Hospital continue services such as mental health services, inpatient physical rehabilitation, Long Term Care plus numerous outpatient services like Surgery, Radiology and Laboratory for our community, visitors and the greater Clark County area.

Throughout our history, we have remained true to the idea of providing exceptional patient services. From our Emergency Room, to our Home Health program, we continually look to the future when making the necessary investments to keep the Hospital up-to-date with the latest technology to constantly improve access and quality in the delivery of healthcare services.

The medical staff and support personnel are more than just highly trained professionals; they are compassionate care givers. With over 200 physicians, representing nearly 22 specialties, we are the only Critical Access Hospital in the area. Offering the healing touch when you need it, our team of professionals are dedicated to providing personalized services that improve the quality of life for our patients and our community.

Boulder City Hospital is the only hospital in Nevada that is not supported by a tax district, other regulated subsidies or a corporate parent. The financial support generated by Art in the Park contributes to our ability to continue to provide quality care close to home.

Please consider making a donation to Boulder City Hospital. You can visit our website at www.bouldercityhospital.org to make a donation on line, or contact Wendy Adams at (702) 293-0214.

Thank you for attending the event. Your support is appreciated!

Sincerely,
Thomas Maher
Chief Executive Officer
Boulder City Hospital

The Boulder City Hospital Foundation is a 501(c)(3) nonprofit organization, which was established in 1995 to raise funds for Boulder City Hospital through fund development and special events.

 Decades of fun for families and friends.

Southwest's Largest Juried Outdoor Art Festival is a Time-Honored Boulder City Tradition

For many Southern Nevadans, a treasured indication that Fall is officially on the way appears as temperatures start to lower, days get a bit shorter and the beloved Boulder City Art in the Park makes its appearance the first weekend of October. Not only is it an art lovers dream come true, it's the 53rd Anniversary of this signature fund-raising event by the Boulder City Hospital Foundation with all proceeds going directly to the hospital and underlines its mission to provide the community with quality health care close to home.

The annual event, which draws up to 100,000 visitors, is comprised of a varied and exciting range of artists, craftsmen, culinary delights and live entertainment. It is widely recognized as the largest outdoor juried art festival in the Southwest! This year's event features hundreds of artisans spread throughout the heart of Boulder City amongst its four beautiful parks. It's simply amazing that the Boulder City community has spent the past half century ensuring its residents are provided with superior health care and it all started from humble beginnings in 1962.

Reaching way back to the 1930's when Hoover Dam was a project guided by the WPA, thousands of workers descended upon the area to build one of the major marvels of the world at the

time. Due to the strenuous (and often times dangerous) work involved, the government set up a facility to treat the workers and their families associated with the project.

As the early 50's rolled around, and with the project long done, it was decided by the government to close the facility. When the residents of this quaint, beautiful town heard the news it sent them into a grassroots mode with the sole aim of saving the Hospital and establishing a non-profit resource for its residents. Through hard work and innovative thinking the Women's Hospital Auxiliary organized the first Art in the Park event in 1962 in Ralph and Sarah Denton's back yard to go along with other fund raising events held throughout the year.

As one of the city's largest events, Art in the Park wouldn't be successful without the combined efforts of members of our communities. It is the hard work of the Hospital Auxiliary, Hospital staff, Boulder City Chamber of Commerce, Boulder City Police and Fire Departments, Boulder City Parks and Recreation and the City of Boulder City, that make this festival successful. Everyone who can help comes out to set up the area days before the show. Countless hours of setting up booths, registering hundreds of artists and being sure that every little detail is covered

are managed by volunteers from in and around the community.

Fine and traditional art, fine and traditional crafts can all be found at this spectacular event. Guests shop till they drop then gain refreshment at any number of food and beverage booths. Art in the Park always features a variety of food choices from hot dogs, hamburgers, roasted corn on the cob, barbecue sandwiches, Italian, Mexican, Greek, Thai and Chinese fare. And then the desserts and treats... funnel cakes, kettle corn, roasted nuts, fruity bars, frozen treats and more.

Entertainment is a standard at Art in the Park. While strolling the parks and viewing artist works, guests are welcomed to relax in the shade at Bicentennial Park with refreshments while enjoying the stage entertainment from Boulder City's traditional gazebo setting.

Since the inception of the festival every talented artist has donated one original piece to the Art in the Park raffle. That tradition continues today, making every raffle prize a "hot treasure!" Raffle tickets are available at the event booth at the west end of Bicentennial Park. Raffle winners will be notified by phone and may pick up their prizes at the event or at the Boulder City Hospital Foundation office.

For more information about Art in the Park or Boulder City Hospital please visit www.bouldercityhospital.org. To learn how you can support our community hospital; please contact the Boulder City Hospital Foundation at (702) 293-0214.

Take Art in the Park home with you

Lighten Your Day With A Little

Robert Marble

This year's Art in the Park Featured Artist, Booth #71

By D. Kannon

No matter who you are or what you do, when you tear away people's titles, stereotypes, preconceived notions and incorrect assumptions, what's left is what Robert Marble has managed to brilliantly bring to light with compassion and humor—snap shots of our true selves.

Robert Marble is an art major and self-taught cartoonist who was frustrated as an art director and illustrator, so he decided to take a chance and follow his own path by uniquely portraying life and people through his anthropomorphized perspective.

With his creative use of animal characters, emotion, colors, textures, and his signature 'redbird,' his work continues to successfully translate to the lighthearted

humor, graciously exposing the vulnerabilities that connect us all. "No one ever gets hurt," said Marble when asked about his perception of his work.

As the Featured Artist for Boulder City Hospital Foundation's 53rd Annual Art in the Park event, Marble's piece: 'We Are All In This Together' "perfectly embodies the spirit and co-operative effort to bring much needed fundraising for the hospital." Wendy Adams, Special Events Coordinator,

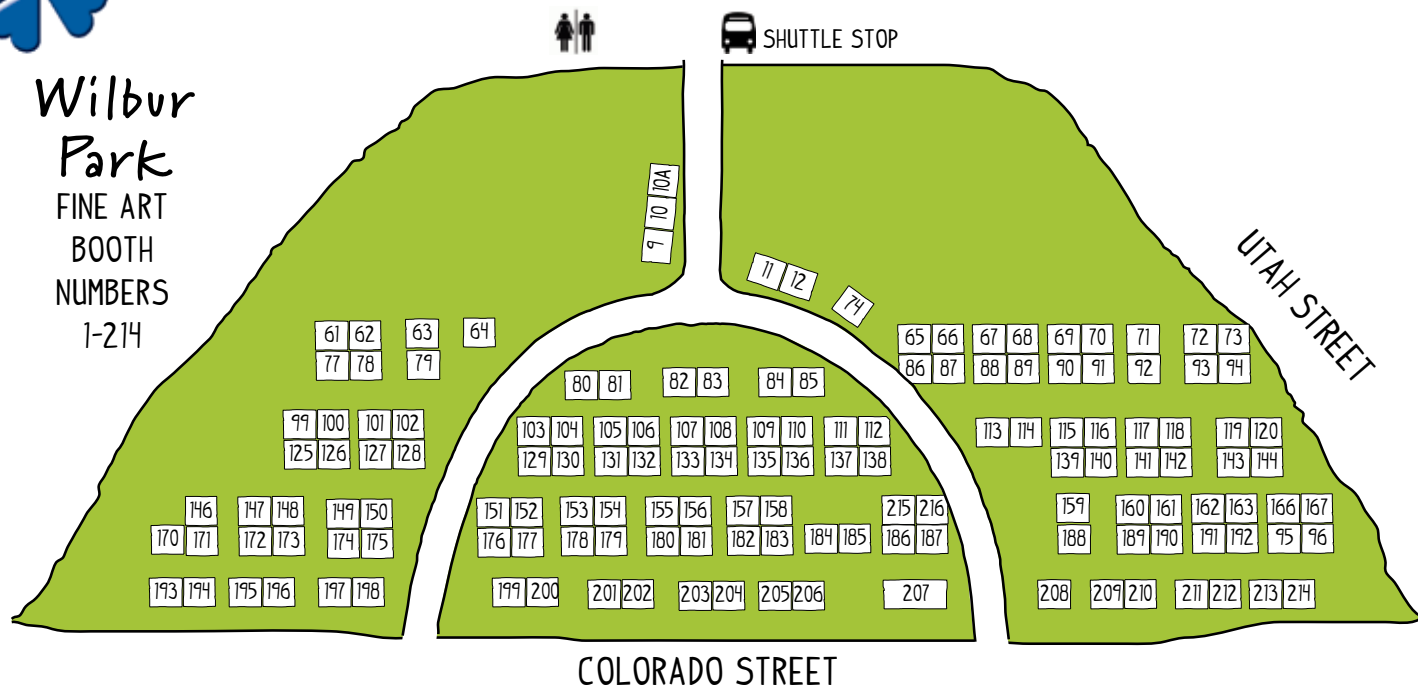

Boulder City Hospital.

Besides his more popular pieces such as: 'We Are Fierce,' and 'A Grin There A Tickle There Happiness Is Everywhere,' Marble is displaying never seen originals using Sintra Board that will give his pieces a 3D effect.

With humor and humility, Marble's work reminds us we are all the same no matter who we are or what we do. So, stop by Booth #71 and have a laugh. You may even recognize someone you know.

Boulder City Hospital: Quality Care Close to Home

Boulder City Hospital is an 82-bed not-for-profit acute care critical access hospital and skilled nursing facility, providing prompt, compassionate, quality health care services. We proudly serve the over 15,000 people, who call Boulder City home, as well as countless Las Vegas and Henderson residents and visitors.

It has been an exciting year for Boulder City Hospital and the Boulder City community. Thanks to a loan from USDA Rural Development, Boulder City Hospital completed a major expansion and renovation. This has brought us closer to reaching our goal of becoming a full-service “age in place” facility, which allows us to better serve our growing senior population while still caring for the needs of Boulder City residents and our valued visitors. We are continuously working to improve the healthcare services available to our community.

Our new campus boasts a 10-Bed inpatient Geriatric Behavioral Medicine Center, an expanded physical and occupational therapy gym equipped to rehabilitate a wide variety of conditions for both inpatients and outpatients, a state-of-the-art outpatient surgery department, an expanded and renovated Emergency Department, and an expanded and renovated Long Term Care unit to satisfy the increased demand of our one-of-a-kind residential skilled nursing facility. Our brand new lobby allows for fast and efficient registration services and has the capacity to accommodate our patients and guests in a comforting and welcoming atmosphere.

As always, the Hospital remains committed to serving the health care needs of our community, providing 24-hour emergency care, inpatient acute care, skilled nursing, and a full array of ancillary services, as well as Home Health and outpatient services.

Emergency Services

In an emergency situation, time is of the essence. The Hospital provides quality emergency care with minimal wait times.

Prompt, courteous, personal and professional care is the cornerstone of our service.

Experienced emergency room physicians and advanced cardiac life support certified nurses have the ability to handle life threatening situations, arising from sudden onset of illness, accident or injury. Our Emergency

Department is open 24 hours a day, seven days a week.

Outpatient Surgical Services

Our newly renovated Outpatient Surgical Services department provides our community with a much needed service. Our caring and qualified staff is available Monday through Friday to accommodate your same-day surgery needs with the same quality of care that is expected from Boulder City Hospital.

Geriatric Behavioral Medicine Center

Our new 10-bed Geriatric Behavioral Medicine Center provides hope and healing for those suffering from psychiatric symptoms that can occur in the later part of one’s life and which may co-exist with other diseases or conditions. We specialize in ensuring an overall understanding of the illness and determining the best course of care by offering individualized care in a warm, supportive, confidential atmosphere. Our experienced multidisciplinary team is committed to best outcomes and treatment plans suitable for the unique needs of each of our patients.

Skilled Nursing Facility

The Hospital’s team of professionals is dedicated to providing quality of life in a home-like atmosphere. The care team consists of your physician, registered dietitian, social worker, activities director, RN’s, LPN’s and certified nursing assistants. Other available services include: physical therapy, occupational therapy, speech therapy, respiratory therapy, restorative care, and pharmacy and psychology consultations. Daily activities are varied and geared towards meeting the functional and cognitive levels of all the residents.

Rehabilitation and Physical Therapy

Boulder City Hospital’s newly expanded outpatient therapy clinic offers physical, occupational, and speech therapy services. Friendly, caring and attentive staff provide individualized therapeutic programs for: neck and back injury; shoulder and arm pain; hand and wrist pain; leg, hip, knee, ankle and foot pain; post-surgical rehabilitation; neurological conditions; balance and gait impairments; TMJ and wound care.

Laboratory Services

Boulder City Hospital’s clinical laboratory’s state of the art in-patient and out-patient services include: chemistry (electrolytes, liver and kidney panels, lipid panels); hematology; coagulation test; transfusion service; thyroid tests and PSA. We are a designated Quest draw station and are able to accommodate same day appointments, without the wait.

Radiology Services

Boulder City Hospital’s Radiology and Diagnostic Imaging, affiliated with Desert Radiologists, offers state of the art services to both in-patient and out-patients. Trained and certified radiologists and radiology technologists with years of experience are available during normal business hour and on call 24/7 for your emergency needs

Mental Health: Partial Hospitalization Program

Our Partial Hospitalization Program (PHP) for adults meets the needs of people who are able to remain in the community but require additional support. The program provides structured and intensive behavioral health care five days a week. The Program is staffed by a multi-disciplinary team that includes psychiatrists, clinical psychologists, social workers, and psychiatric nurses.

Home Health Agency

Boulder City Hospital’s Home Health Agency is staffed by caring, qualified professionals working together to provide services to enhance rehabilitation, recovery and independence in the comfort of one’s own home. Our highly trained professionals are qualified to provide the following services: skilled nursing; physical, occupational and speech therapy; medical social worker and home health aide.

Commitment and Community

Boulder City Hospital Foundation

The Boulder City Hospital Foundation is a 501 (c) (3) organization established in 1995, whose purpose is to raise funds for the non-profit Boulder City Hospital through fund development and special events.

While Art in the Park is the Foundation’s Signature fundraising community event, the Foundation is actively involved in civic groups and produces or co-produces events that promote awareness about health, wellness and community issues.

Among these events is the annual Heart of the Community Gala which honors individuals who have made significant cultural impact in our community. Past recipients include Dr. Florence and Gard Jamison, Sara and Ralph Denton, Darlene and Vern Burk, Former Mayor Bob Ferraro, Linda and Robert Faiss, and Rose and Bruce Woodbury.

Please mark your calendars and join us at any of our upcoming events:

Heart of the Community Gala, May or June 2016 (exact date to be announced soon)

The evening’s fundraiser will take place at Green Valley Ranch from 5:30pm to 10pm. Join us for cocktails and live and silent auctions.

54th Annual Art in the Park, October 1 & 2, 2016

Art in the Park celebrates its 54th year as the largest outdoor juried art festival in the Southwest and is the largest fundraiser for the Boulder City Hospital. With over 325 art and craft vendors, food, entertainment and more.

For information about these events or information about Boulder City Hospital and Boulder City Hospital Foundation, please contact us at (702) 293-0214.

How to support your community hospital

Boulder City Hospital is a true asset to our community. We are fortunate to have many community partners and invite you to become involved with the Hospital. Your financial support ensures Boulder City Hospital can provide quality health care services close to home for years to come. To learn about ways you can become involved with your community hospital, please call the Boulder City Hospital Foundation office at (702) 293-0214 or visit our website at bouldercityhospital.org.

Boulder City Hospital Auxiliary

Boulder City Hospital and the Foundation are grateful for support from Hospital Auxiliary. The Auxiliary created the first “Art in the Park” festival 53 years ago. Today, the Auxiliary continues to raise funds through a variety of activities including Goldie’s Gift Shoppe. The Auxiliary supports numerous Hospital programs. In addition, the group funds yearly scholarships supporting study in health care. Auxiliary members volunteer more than 10,000 hours yearly to the hospital in addition to the funds raised and contributed. To learn more about the Boulder City Hospital Auxiliary or how to become a member, please call (702) 293-4111 or visit our website at bouldercityhospital.org.
