Dear Auction Donor,

You will be pleased to know that Lori and Robert Merrell will be the honorees at Boulder City Hospital's 10th Annual Heart of the Community Gala on Saturday, May 11. For decades, the Merrell's have been leaders in philanthropic efforts from Emergency Aid to Sunrise Rotary's Grad Night for Boulder City High School seniors.

How can you help? Glad you asked..... Past contributions include gift certificates, gift baskets, gift cards, show tickets, dinners, spa packages, "stay-cations" and one of a kind back stage experiences.

Their hearts are always in the right place, including support for Boulder City Hospital, a local non-profit, mission-oriented center for health care. Our hospital, which has been providing quality care close to home for more than 60 years, recently opened the Boulder City Primary Care Clinic that provides urgent care as well as primary care. It is the newest service offered to keep up with the needs of our community. Your support of this event ensures that Boulder City and our neighbors in Henderson and Las Vegas may continue to receive personalized, hometown care that only Boulder City Hospital can provide.

Your donation to our auction, either Live or Silent will be showcased on many social media platforms as well as participating in our pre event "live auction bidding platform". There will be plenty of opportunities for you to showcase what your business does and gain exposure to an entirely different audience, so send in your logo, your tag line and anything else that we can put up on our auction page to help you shine

Contact our Events Manager Wendy Adams at (702) 293-0214 for more sponsorship information and to reserve your table at the gala.

Thank you!

Sue Manteris
