57th Annual ART in the PARK Benefiting Boulder City Hospital

Welcome to Art in the Park 2021!

The Boulder City Hospital Foundation is pleased to host the 57th annual Art in the Park! And it is with great excitement that we welcome back this beloved community tradition in Southern Nevada. With more than 300 artists participating, a variety of delicious food offerings to keep the appetites of foodies and food lovers satisfied, and a kid's arts and crafts area sponsored by SOS Radio and Discovery Children's Museum, this year's Art in the Park festival will bring the community together in a safe outdoor environment.

The funds raised through the Boulder City Hospital Foundation's Art in the Park event support the ongoing needs of Boulder City Hospital, a 501(c)(3) nonprofit charitable organization. Our hospital is a private Critical Access Hospital (CAH) with 25 acute/swing beds, 10 acute psychiatric beds, 47 long term care beds and more than 250 staff. As stewards of the health and well-being of our community, Boulder City Hospital is the only CAH in Nevada that is not supported by a taxing district or a larger corporate parent and relies on donations from the community and the efforts of the Boulder City Hospital Foundation.

Boulder City Hospital is a place of healing, and our priority is to provide a safe and equitable healthcare experience for all. We are committed to providing compassionate, quality care for everyone, and our diverse, caring and accepting professional workforce is dedicated to delivering exceptional patient care. Our full-service hospital provides a variety of inpatient and outpatient care, emergency services, rehabilitation, and long term and behavioral health care as well as easily accessible ancillary services including radiology, laboratory, same day surgery, a primary care clinic, telemedicine, and Covid-19 testing and vaccinations.

Established in 1995, the Boulder City Hospital Foundation is a registered 501(c)(3) nonprofit charitable organization whose purpose is to raise funds for capital equipment and needs-based improvements to the nonprofit Boulder City Hospital through fund development, special events and donor contributions. Every dollar raised is distributed directly into areas of need within the hospital, and over the past five years the Foundation has raised over \$1.2 million providing new equipment for radiology, rehabilitation, emergency, long term care, dietary and other departments.

Art in the Park is a labor of love and would not be possible without the continued support of our sponsors and our community. Over 300 volunteers have helped to make Art in the Park a favorite among artists, crafters and visitors alike. We work in lockstep with the City of Boulder City and City staff, our community service providers, and hospital staff and are forever grateful for their dedication and commitment to the success of the annual Art in the Park festival.

Boulder City Hospital appreciates the community commitment to our Foundation. Please consider donating to the Boulder City Hospital Foundation. You can visit our website at BCHcares.org to donate online or contact Wendy Adams at (702) 293-0214.

Thank you for attending the 2021 Art in the Park festival. Your support is appreciated!

Sincerely,

Thomas Maher

Southwest's Largest Juried Outdoor Art Festival is a Time-Honored Boulder City Tradition

For many Southern Nevadans, a treasured indication that Autumn is officially on the way appears as temperatures start to lower, days get a bit shorter, and the beloved Boulder City Art in the Park makes its appearance the first weekend of October. Not only is it an art lovers dream come true, but it's also the anniversary of this signature fundraising event by the Boulder City Hospital Foundation with all proceeds going directly to the hospital. The Boulder City Hospital Foundation is a 501(c)(3) charitable organization established in 1995 to raise funds for capital equipment and improvements in support of our community hospital. Boulder City Hospital (BCH) is a nonprofit, private Critical Access Hospital (CAH) with 25 acute/swing beds, 10 acute psychiatric beds, 47 Long Term Care beds and more than 250 staff. BCH is the only CAH in Nevada that is not supported by a Taxing District or a larger corporate parent and relies on donations from the community and the efforts of the Boulder City Hospital Foundation.

The annual Art in the Park festival draws up to 100,000 visitors and is comprised of a varied and exciting range of artists, craftsmen, culinary delights and live entertainment. It is widely recognized as the largest outdoor juried art festival in the Southwest! This year's event features hundreds of artisans located throughout the heart of Boulder city among its four beautiful parks.

It's simply amazing that the Boulder City

community has spent the past half century ensuring its residents are provided with superior health care and it all started from humble beginnings in 1962.

Reaching way back to the 1930's when Hoover Dam was a project guided by the WPA, thousands of workers descended upon the area to build one of the major marvels of the world at the time. Due to the strenuous (and often times dangerous) work involved, the Government set up a facility to treat the workers and their families associated with the project.

As the early 50's rolled around, and with the project long done, it was decided by the government to close the facility. When the residents of this quaint, beautiful town heard the news it sent them into a grassroots mode with the sole aim of saving the Hospital and establishing a nonprofit resource for its residents. Through hard work and innovative thinking the Women's Hospital Auxiliary organized the first Art in the Park event in 1962 in Ralph and Sarah Denton's back yard to go along with other fundraising events held throughout the year.

As one of the city's largest events, Art in the Park wouldn't be successful without the combined efforts of members of our communities. It is the hard work of the Hospital Auxiliary, Hospital staff, Boulder City Chamber of Commerce, Boulder City Police and Fire Departments, Boulder City Parks and Recreation and the City of Boulder City, who make this festival successful.

Everyone who can help comes out to set up the area days before the show. Countless hours of setting up booths, registering hundreds of artists and being sure that every little detail is covered are managed by volunteers from in and around the community.

Fine and traditional art and artisan crafts can all be found at this spectacular event.

Guests shop until they drop then indulge in delectable fare and refreshments at any number of food and beverage booths.

Art in the Park always features a variety of food choices from hot dogs, hamburgers, roasted corn on the cob, barbecue sandwiches, Italian, Mexican, Greek, Chinese fare and Ice Cream.

Entertainment is a standard at Art in the Park. While strolling the parks and viewing artist works, guests are welcomed to relax in the shade at Bicentennial Park with refreshments while enjoying the stage entertainment from Boulder City's traditional gazebo setting.

Since the inception of the festival every talented artist has donated one original piece to the Art in the Park raffle. That tradition continues today, making every raffle prize a "hot treasure!"

Raffle tickets are available at the event booth at the west end of Bicentennial Park. Raffle winners will be notified by phone and may pick up their prizes at the event or at the Boulder City Hospital Foundation office.

For more information about Art in the Park or Boulder City Hospital please visit www.artinthepark.org to learn how you can support our community hospital; please contact the Boulder City Hospital Foundation at (702) 293-0214.

Gregg Visintainer - Artist Spotlight

This Year's Art in the Park Featured Artist in Booths #48-49

Gregg "Viz" Visintainer, is a self-taught artist. At age 18, after a pretty severe car accident and 2 back surgeries he moved from the Bay area to San Diego to be near his family. Following

during the height of the Co-Vid pandemic.

Viz's artwork is described as "extreme doodling" which is hand drawn using pen and ink. His

The hidden pictures, words, and messages contained in his art add levels that not only draw your attention but keep you there wanting to know more of the story.

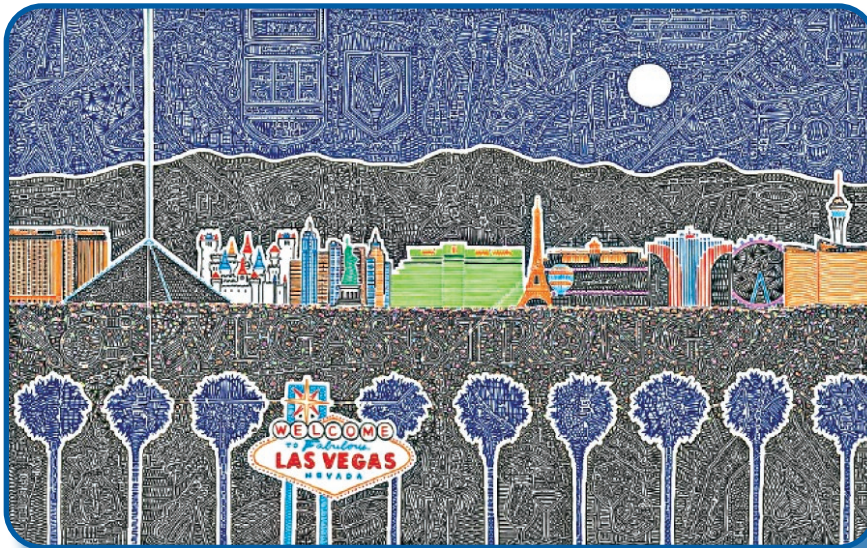

His company Viz Art Ink has partnered with companies like: DC Shoes, Falken Tires, Grateful Dead, Disney, U.S. Navy, Marines, Air Force, professional sports and many others. He owned and operated a successful Art Gallery in downtown Carlsbad, CA for 7 years. He travels all over, attending Art shows and Festivals to stay in touch with the public and talk to people one on one. He has a TEDx talk, a Podcast and speaks in schools, colleges and businesses -sharing his art and knowledge with his community.

Visintainer is a success, in art and in business. He is a testament that ART can save your life and with hard work and dedication, will transform it into the life you dream of.

the accident, Visintainer set aside artwork for nearly six years as he struggled with his own personal demons. At 24, in an effort to focus on something besides his own loneliness, art illuminated the path that led him out of darkness and continues to inspire him.

attention to detail is meticulous and time consuming. Every piece is a marvel of prodigious planning meets intuitive inspiration and then spattered with respect, gratitude, pride, humor or occasionally unadulterated joy.

Looking through the artists' collections it is obvious that Gregg feels very strongly about recognizing the sacrifice of the men and women in the Armed Forces. We were so happy that he was inspired to do "Healthcare Heroes" as a tribute to healthcare workers and first responders which the Boulder City Hospital Foundation commissioned

Boulder City Hospital: Compassionate Quality Care

The Boulder City Hospital Foundation is a 501(c)(3) charitable organization established in 1995,

whose purpose is to raise funds for capital equipment and improvements to the non-profit Boulder City Hospital through fund development and special events.

While Art in the Park is the Foundation's signature fundraising community event, the Foundation is actively involved in civic groups and produces or co-produces events that promote awareness about health, wellness and community issues.

Among these events is the annual Heart of the Community Gala, which honors individuals who have made significant cultural impacts in our community. Past recipients include Dr. Florence and Gard Jamison, Sara and Ralph Denton, Darlene and Vern Burk, Former Mayor Bob Ferraro, Linda and Robert Faiss, Rose and Bruce Woodbury, Christine and John Milburn, Teresa and Michael Giroux, Kathy and Jim Calhoun, and Lori and Robert Merrell.

Please mark your calendars and join us at any of our upcoming events:

Heart of the Community Gala, May 14, 2022

The evening's fundraiser will take place at Boulder Creek Golf Course from 5:00pm to 10:00pm. Join us for cocktails and live and silent auctions.

Annual Art in the Park, October 1 & 2, 2022
