WELCOME TO THE 59TH ANNUAL ART IN THE PARK FESTIVAL BENEFITING BOULDER CITY HOSPITAL

Together with more than 100,000 festivalgoers, hundreds of fine art, fine craft, and traditional artists and craftsmen, entertainment, and food and beverage outlets converging on the beautiful downtown parks in historic Boulder City, Nevada, we welcome you for a full weekend of community.

Hosted by the Boulder City Hospital Foundation, the 59th annual Art in the Park festival welcomes premier sponsor Guardian Elite Medical Services along with the support of many local and community businesses.

Each year the Boulder City Hospital Foundation raises funds through its signature Art in the Park event benefiting Boulder City Hospital. The funds raised support the ongoing needs of Boulder City Hospital, a 501(c)(3) nonprofit charitable organization. Boulder City Hospital is the only Critical Access Hospital (CAH) in Nevada that is not supported by a taxing district, mining dollars, or a large corporate health system and relies on donations from the community and the efforts and events of the Boulder City Hospital Foundation.

Boulder City Hospital is a place of healing, and our priority is to provide a safe and equitable healthcare experience for all. We are committed to providing compassionate, quality care for everyone, and our diverse, caring and accepting professional workforce is dedicated to delivering exceptional patient care. Our full-service hospital with 25 acute/swing beds, 10 acute psychiatric beds, 47 long term care beds, and more than 250 staff provide a variety of inpatient and outpatient care, emergency services, rehabilitation and therapy services, long term and behavioral health care as well as easily accessible ancillary services including radiology, laboratory, same day outpatient surgery, and a primary care and family practice clinic.

Established in 1995, the Boulder City Hospital Foundation is a separately registered 501(c)(3) nonprofit charitable organization whose purpose is to raise funds for capital equipment and needs-based improvements for the nonprofit Boulder City Hospital through fund development, special events and donor contributions. Every dollar raised is distributed directly into areas of need within the Hospital, and over the past five years the Foundation has raised over \$1.5 million providing new equipment for radiology, rehabilitation, emergency, long term care, dietary and other departments.

Art in the Park is a labor of love and would not be possible without the continued support of our sponsors and our community. Hundreds of volunteers have helped to make Art in the Park a favorite among artists, crafters, and visitors alike. We work in lockstep with the City of Boulder City and City staff, our community service providers, and Hospital staff, and are forever grateful for their dedication, commitment, and passion for the success of the annual Art in the Park festival.

Thank you for attending the 2023 Art in the Park festival. Your support is appreciated!

Sincerely,
Thomas Maher

WELCOME TO THE 59TH ANNUAL ART IN THE PARK FESTIVAL BENEFITING BOULDER CITY HOSPITAL

For many in our Southern Nevada community, a treasured indication that Autumn is officially on the way appears as temperatures start to lower, days get a bit shorter, and the beloved Boulder City Art in the Park makes its appearance the first weekend of October. Not only is it an art lover's dream come true, but it's also the anniversary of the signature fundraising event hosted by the Boulder City Hospital Foundation with all proceeds benefiting Boulder City Hospital.

Boulder City Hospital (BCH) is a 501(c)(3) nonprofit, private Critical Access Hospital (CAH) with 25 acute/swing beds, 10 acute psychiatric beds, 47 Long Term Care beds and more than 250 staff. Our Hospital is not supported by a taxing district, corporate healthcare system, or mining dollars and relies on donations from the community and the efforts of the Boulder City Hospital Foundation.

The Boulder City Hospital Foundation is a separately registered nonprofit 501(c)(3) charitable organization established in 1995 to raise funds for capital equipment and improvements in support of our community Hospital and in the past five years has raised over \$1.5 million through fundraising events such as Art in the Park, the Heart of the Community Gala, and Annual Appeal .

The annual Art in the Park festival draws up to 100,000 visitors and is comprised of a varied and exciting range of fine art, fine craft, and traditional artists along with a midway of culinary delights and live entertainment. It is widely recognized as the largest outdoor art festival in the Southwest! This year's event features hundreds of artisans located throughout the heart of Boulder City among its four beautiful parks. It's simply amazing that the Boulder City community has spent the past half century ensuring its residents are provided with superior healthcare and it all started from humble beginnings.

Reaching back to the 1930's when Hoover Dam was a project guided by the WPA, thousands of workers descended upon the area to build one of the major marvels of the world at the time. Due to the strenuous, and often times dangerous, work involved, the Government set up a facility to treat the workers associated with the project.

As the early 50's rolled around, and with the Dam project long completed , it was decided by the government to close the Hospital facility. When the residents of this quaint, beautiful town heard the news it sent them into a grassroots mode with the sole aim of saving the Hospital and establishing a nonprofit resource for its residents. Through hard work and innovative thinking, the Women's Hospital Auxiliary organized the first Art in the Park event in 1962 in Ralph and Sarah Denton's back yard to go along with other fundraising events.

As one of the city's largest events, Art in the Park wouldn't be successful without the combined efforts of members of our communities. It is the hard work of the Boulder City Hospital Foundation, Hospital staff, Boulder City Chamber of Commerce, Boulder City Police and Fire Departments, Boulder City Parks and Recreation, and the City of Boulder City, who make this festival successful. Everyone who can help comes out to set up the area days before the show. Countless hours of setting up booths, registering hundreds of artists and being sure that every little detail is covered.

A full spectrum of artists and craftsmen can be found at this spectacular event. Guests shop and indulge in delectable fare and refreshments at any number of food and beverage booths. Art in the Park always features a variety of food choices from hot dogs, hamburgers, roasted corn on the cob, barbecue sandwiches, Italian, Mexican, Greek, and Chinese fare to desserts and ice cream. Entertainment is a standard at Art in the Park. While strolling the parks and viewing artist works, guests are welcome to relax in the shade at Bicentennial Park with refreshments while enjoying the stage entertainment from Boulder City's gazebo. Since the inception of the festival every talented artist has donated one original piece to the Art in the Park raffle. That tradition continues today, making every raffle prize a "hot treasure!" Raffle tickets are available at the raffle booth at the west end of Bicentennial Park. Raffle winners will be notified by phone and may pick up their prizes at the event or at the Boulder City Hospital Foundation office.

Artist Spotlight – Ryan Rabbass

This Year's Featured Artist, Available at Booths #49 & 59 in Wilbur Park The Future of Fine Arts

Ryan Rabbass, this year's featured artist, is a Vegas artist who has been working over 20 years sharing his art and design in a variety of forms. As a child, Ryan realized he wanted to be an artist when he created his first series of drawings to present to his grandmother. From childhood, Ryan has always sought to mix art into everything that he does. In school, he continued to draw and paint, but also take computer and electronic classes. After attending college for graphic design, Ryan worked at a number of casinos where he provided design work and sold his own street art at local shows and fairs.

Salvador Dali, Vladimir Kush, Greg Simkins, and Daniel Wall are some of Ryan's artistic influences. Ryan loves to interweave different elements into his creations. He began by capturing his love

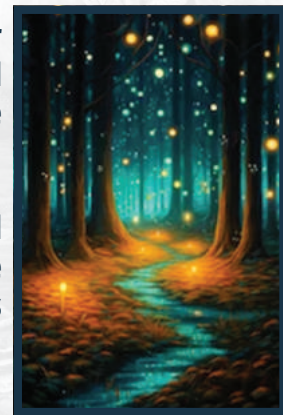

of rock and roll into visual arts paintings. He then evolved into exploring more popular culture themes such as those in Wizard of Oz and Alice in Wonderland. Ryan seeks out inspiration from whole worlds such as those from Marvel, Pirates of the Caribbean, and Harry Potter. Tapping into existing worlds communicates immediate shared meaning with the audience, and also provides a fantasy doorway for viewers to emotionally emerge themselves in.

These works of art are not merely the images presented, but also the large size and proportion of canvas. Ryan puts considerable time and thought into calculating how every aspect of each work will go together. Indeed, many times he begins design by considering the ration of the canvas, deciding what color scheme would best work, and then finding an appropriate theme.

Ryan blends surrealism with realistic subject matter to create invocative portraits, animal scenes, and above all else – fully realized fantasy landscapes.

In addition to exploring different themes, Ryan has also sought to explore different mediums for his paintings, especially in the realm of technology. Artificial intelligence, AI, has transformed people's understanding of art and our relationship to created works. Ryan seeks to utilize these tools while providing additional value that can only come from human touch.

Many of Ryan's creations come from researching online, using AI drafts for brainstorming, and then creating custom works in his home art studio. For example, he often uses cutting edge printing and then paints texture with traditional paint onto canvas. As the influence of AI grows on the fine arts world, innovative techniques will continue to require human ingenuity.

This year's poster and shirt feature the piece Locomotive Breath.

Beautiful Distraction is a three dimensional piece with a wood base. Each component piece was individually mapped by computer, then manually traced. Using a scroll saw, Ryan cut the various shapes and then nailed them down. Ryan used modeling paste and then added detail with additional layers. The result is a stunning example of combining traditional fine arts with computer technology to produce a fantasy landscape.

Check Your **MENTAL HEALTH**

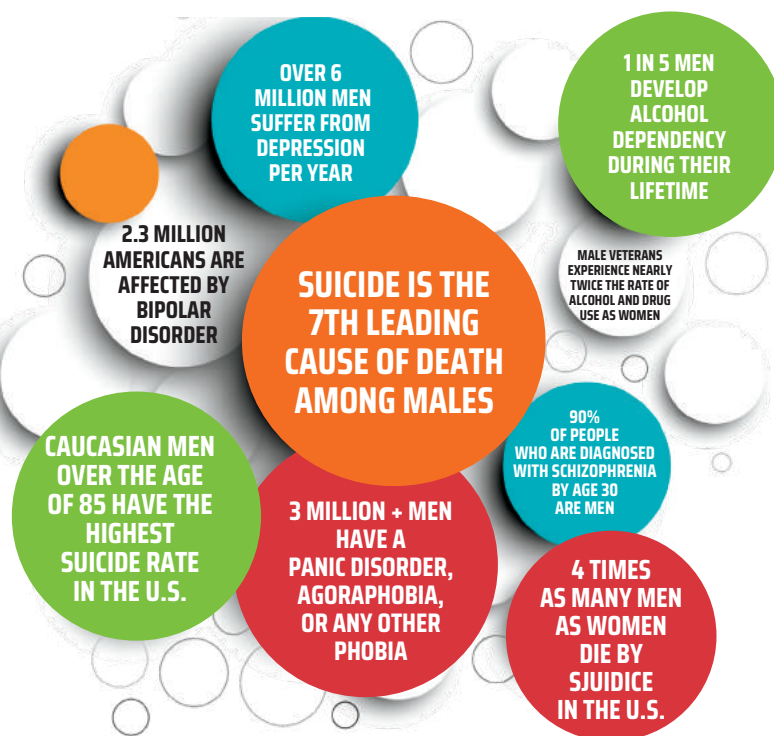

1 IN 10 MEN EXPERIENCE SOME FORM OF DEPRESSION OR ANXIETY

Less than half will seek treatment.

Each year it is estimated that over 16 million Americans experience symptoms of depression or anxiety with men accounting for roughly 6 million and many of those going undiagnosed or underdiagnosed. Moreover, women attempt suicide at higher rates yet men are 3.6 times more likely to die by suicide than women. Men are also more likely to die from alcohol-related causes with an estimated 62,000 compared to 26,000 in women.

Schizophrenia, bipolar disorder, and eating disorders also account for some of the major mental health problems affecting men. These surprising statistics denote the underlying issue that men are far less likely to seek treatment yet are still suffering from mental health issues in excessive numbers.

COMMITMENT AND COMMUNITY

Boulder City Hospital is a place of healing. Our priority is to provide a safe and equitable healthcare experience for all. As stewards of the health and well-being of our community, we are committed to providing compassionate, quality care for everyone. Our diverse, caring and accepting professional workforce is dedicated to delivering exceptional patient care.

Boulder City Hospital is a registered 501(c)(3) nonprofit, charitable organization and the only Critical Access Hospital in Nevada not supported by a taxing district, mining dollars, or a corporate health system and relies on donations from the community and the efforts of the Boulder City Hospital Foundation.

The Boulder City Hospital Foundation is a separately registered 501(c)(3) charitable organization established in 1995, whose purpose is to raise funds for capital equipment and improvements to the nonprofit Boulder City Hospital through fund development and special events.

While Art in the Park is the Foundation's signature fundraising community event, the Foundation is actively involved in civic groups and produces or co-produces events that promote awareness about health, wellness, and community issues.

Among these events is the annual Heart of the Community Gala, which honors individuals who have made significant cultural impacts in our community. Past recipients include Dr. Florence and Gard Jamison, Sara and Ralph Denton, Darlene and Vern Burk, Former Mayor Bob Ferraro, Linda and Robert Faiss, Rose and Bruce Woodbury, Christine and John Milburn, Teresa and Michael Giroux, Kathy and Jim Calhoun, Lori and Robert Merrell, Heroes of the Pandemic, and Mayor Joe & Jill Hardy.

ANNUAL ART IN THE PARK, OCTOBER 5 & 6, 2024

Art in the Park celebrates its 60th year as the largest outdoor juried art festival in the Southwest and is the largest fundraiser for the Boulder City Hospital. With over 350 fine and traditional artists and craftsmen, vendors, food, entertainment and more. For information about these events or information about Boulder City Hospital Foundation, please contact us at (702) 293-0214.

HOW TO SUPPORT YOUR COMMUNITY HOSPITAL

Boulder City Hospital is a true asset to our community. We are fortunate to have many community partners and invite you to become involved with the Hospital. Your financial support ensures Boulder City Hospital continues its mission as a place of healing. To learn about ways you can become involved with your community hospital, please call the Boulder City Hospital Foundation office at (702) 293-0214.

BOULDER CITY HOSPITAL AUXILIARY

Boulder City Hospital and the Foundation are grateful for support from the Hospital Auxiliary. The Auxiliary created the first Art in the Park festival 59 years ago. Today, the Auxiliary continues to raise funds through a variety of activities including Goldie's Gift Shoppe. The Auxiliary supports numerous Hospital programs. In addition, the group funds yearly scholarships supporting study in healthcare. Auxiliary members volunteer more than 10,000 hours yearly to the Hospital in addition to the funds raised and contributed. To learn more about the Boulder City Hospital Auxiliary or how to become a member, please call (702) 293-4111 ext. 5579.

Q.com/lasvegas

Although our fiber service usually means 100% fiber-optic network to your location, in limited circumstances Quantum Fiber may need to deploy alternative technologies coupled with a non-fiber connection from a certain point (usually the curb) to your location in order to provide the advertised download speeds.

Customer speed experiences will vary, particularly when accessing the Internet wirelessly from various devices. Maximum download/upload speeds are up to 940 megabits per second via a wired connection due to overhead capacity reserved to deliver the data. Internet speeds are not guaranteed due to conditions outside of network control, including customer location, devices, equipment, and access through a wired or wireless connection; see www.q.com/legal for more information.

Service is not available everywhere. Quantum Fiber may change, cancel, or substitute offers and services, or vary them by service area, at its sole discretion without notice. All products and services listed are governed by tariffs, terms of service, or terms and conditions posted at www.q.com/legal. Additional restrictions may apply. © 2022 Q Fiber, LLC. ABOUT THE BOULDER CITY HOSPITAL AUXILIARY

The Boulder City Hospital Auxiliary has provided services for patients and the community since 1956 and is an important arm of the hospital, dedicated to supporting its missions and contributing funds to various projects. Men and women from all walks of life participate in activities, the gift shop, or simply lend their support through annual membership dues. Membership in the Auxiliary is open to anyone over 18 years of age who is interested in the welfare of Boulder City Hospital and is approved for membership. For more information about activities or membership, please ask at the Gift Shoppe or at the Reception Desk. • Boulder City Hospital, established in 1931, is a private, nonprofit 501(c)(3) charitable organization committed to providing compassionate, quality care for our patients and the communities we serve. • Boulder City Hospital is an equal opportunity provider and employer.

The Boulder City Hospital and the Boulder City Hospital Foundation offers sincere appreciation to the City of Boulder City, our community, our local merchants, civic groups, volunteers, sponsors and donors. Without the generous, tremendous and combined efforts and support of so many individuals, organizations and City departments, the time-honored tradition of Art in the Park would not be possible. We are humbled by the continued support you provide for your Hospital and its mission to deliver quality health care close to home.

A photograph of an elderly couple smiling and embracing each other outdoors. The woman is on the left, wearing a light blue top, and the man is on the right, wearing a light blue shirt. They are both looking towards the camera with warm expressions. The background is a soft-focus outdoor setting.

MEDICAL REHABILITATION

A person is shown performing a shoulder extension exercise. They are standing with their feet shoulder-width apart, holding a resistance band with both hands. Their arms are extended forward and slightly to the sides, and they are pulling the band back towards their body, extending their shoulders.
