

Benefiting Boulder City Hospital Since 1964

SPONSORSHIP OPPORTUNITIES

Boulder City Hospital Foundation
proudly supports our community hospital.

We invite you to help us support
Boulder City Hospital as a sponsor at the
61st annual Art in the Park
October 4th and 5th, 2025.

Dear Community Member,

The annual Art in the Park outdoor festival presented by the Boulder City Hospital Foundation in support of Boulder City Hospital, celebrates its 61st year the first weekend in October. The Art in the Park festival is recognized as the largest outdoor festival in the Southwest bringing together more than 100,000 visitors with over 400 vendors and a mix of fine art, fine crafts, and traditional artists. Art in the Park traverses four parks in Downtown Boulder City, is free to the public and includes live entertainment, incredible art, food, beverages, and family fun. Join us October 4th and 5th, 2025, for an unforgettable weekend you won't want to miss.

This year's featured artist is Nicholas Ivins. An award-winning artist and illustrator based in San Diego, Nicholas creates comic-inspired art. As a visual storyteller, he strives to create images that are bold and colorful, yet emotive and nuanced. Nick explores a wide range of subject matter, including Day of the Dead, animals, music, and more, all from an offbeat and irreverent viewpoint. For more info visit www.nicholasivins.com.

Art in the Park is a labor of love and would not be possible without the continued support of our sponsors and our community. Over 300 volunteers help make Art in the Park a favorite among artists, crafters, and visitors alike. The Boulder City Hospital Foundation works in lockstep with the City of Boulder City, our community first responders and service providers, volunteers, and hospital staff to bring together a successful festival. The funds raised through the Boulder City Hospital Foundation's Art in the Park event support the ongoing needs of Boulder City Hospital, a private 501(c)(3) nonprofit charitable organization and the only Critical Access Hospital in Nevada not supported by a taxing district, mining dollars, or a corporate health system. The hospital relies on the fundraising efforts of the Foundation to support our mission serving the health and well-being of the residents of Boulder City and the surrounding valley as well as visitors to our area.

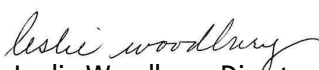

We have enclosed an Art in the Park sponsorship packet, with a special rate just for Chamber Members, and hope that your business would like the opportunity to have your company name or brand included in our media campaign. This favorable combination of visual and verbal support for your business will be exposed to over 100,000 visitors and showcases your support for Boulder City Hospital.

About Boulder City Hospital Foundation

Established in 1995, the Boulder City Hospital Foundation is a separately registered 501(c)(3) nonprofit charitable organization whose purpose is to raise funds for capital equipment and needs-based improvements to the nonprofit Boulder City Hospital through fund development, special events, and donor contributions. Every dollar raised is distributed directly into areas of need within the hospital, and over the past five years the Foundation has raised over \$1.5 million providing new equipment for radiology, rehabilitation, emergency, long term care, dietary, and other departments.

Please call the Boulder City Hospital Foundation office (702) 293-0214 for more details and deadlines to include your business based on your Art in the Park sponsorship commitment.

Best regards,

Leslie Woodbury, Director
Boulder City Hospital Foundation
