COMMITMENT AND COMMUNITY

Boulder City Hospital is a place of healing. Our priority is to provide a safe and equitable healthcare experience for all. As stewards of the health and well-being of our community, we are committed to providing compassionate, quality care for everyone. Our diverse, caring and accepting professional workforce is dedicated to delivering exceptional patient care.

Boulder City Hospital is a registered 501(c)(3) nonprofit, charitable organization and the only Critical Access Hospital in Nevada not supported by a taxing district, mining dollars, or a corporate health system and relies on donations from the community and the efforts of the Boulder City Hospital Foundation.

The Boulder City Hospital Foundation is a separately registered 501(c)(3) charitable organization established in 1995, whose purpose is to raise funds for capital equipment and improvements to the nonprofit Boulder City Hospital through fund development and special events.

While Art in the Park is the Foundation's signature fundraising community event, the Foundation is actively involved in civic groups and produces or co-produces events that promote awareness about health, wellness, and community issues.

Among these events is the annual Heart of the Community Gala, which honors individuals who have made significant cultural impacts in our community. Past recipients include Dr. Florence and Gard Jamison, Sara and Ralph Denton, Darlene and Vern Burk, Former Mayor Bob Ferraro, Linda and Robert Faiss, Rose and Bruce Woodbury, Christine and John Milburn, Teresa and Michael Giroux, Kathy and Jim Calhoun, Lori and Robert Merrell, Heroes of the Pandemic, Mayor Joe & Jill Hardy, and our very own Art in the Park benefactor, Sara Denton.

ANNUAL ART IN THE PARK, OCTOBER 2 & 3, 2027

Art in the Park celebrates its 63rd year as the largest outdoor-juried art festival in the Southwest and is the largest fundraiser for the Boulder City Hospital. With over 300 fine and traditional artists and craftsmen, vendors, food, entertainment and more. For information about these events or information about Boulder City Hospital Foundation, please contact us at (702) 293-0214.

HOW TO SUPPORT YOUR COMMUNITY HOSPITAL

Boulder City Hospital is a true asset to our community. We are fortunate to have many community partners and invite you to become involved with the Hospital. Your financial support ensures Boulder City Hospital continues its mission as a place of healing. To learn about ways you can become involved with your community hospital, please call the Boulder City Hospital Foundation office at (702) 293-0214.

BOULDER CITY HOSPITAL AUXILIARY

Boulder City Hospital and the Foundation are grateful for support from the Hospital Auxiliary. The Auxiliary created the first Art in the Park festival 64 years ago. Today, the Auxiliary continues to raise funds through a variety of activities including Goldie's Gift Shoppe and the annual Charity Golf Tournament. The Auxiliary supports numerous Hospital programs. In addition, the group funds yearly scholarships supporting studies in healthcare. Auxiliary members volunteer more than 10,000 hours yearly to the Hospital in addition to the funds raised and contributed. To learn more about the Boulder City Hospital Auxiliary or how to become a member, please call (702) 293-4111 ext. 5579.

MEET BOULDER CITY HOSPITAL FOUNDATION DIRECTOR

Q&A WITH LESLIE WOODBURY; ART IN PARK FUNDRAISER SET FOR OCT. 3-4

C-SUITE SPOTLIGHT

PARTNER CONTENT FOR BOULDER CITY HOSPITAL FOUNDATION

Art in the Park is one of the largest juried art festivals in the Southwest. Held in scenic Boulder City, the event has been a part of the community for more than 60 years.

Over two days in October, the festival unites artists and art lovers alike as it raises funds for the Boulder City Hospital Foundation. The event has raised millions of dollars for needed equipment and capital improvement projects at the Boulder City Hospital.

The foundation's newly appointed director, Leslie Woodbury, brings a fresh perspective and enthusiasm to her inaugural Art in the Park event.

Q. Please tell me about this year's Art in the Park.

A: This is its 61st year. On Oct. 4-5, we plan to feature approximately 300 artists from around the country. More than 300 vendors and 12 food

From left, Boulder City Hospital Foundation Director, Leslie Woodbury, and volunteers Cheryl Bruner and Paula Casey.

Art in the Park has been a part of the community for more than 60 years.

trucks will be present with entertainment all day on the center stage. We anticipate approximately 80,000 visitors over the two days. It is free to the public and held in four parks throughout the city: North and South Escalante, Bicentennial and Wilbur Square.

I look forward to meeting the artists and seeing the community come out and support the hospital. Nicholas Ivins, an award-winning artist and illustrator, is our featured artist. His

“...we plan to feature approximately 300 artists from around the country. More than 300 vendors and 12 food trucks will be present with entertainment all day...”

Boulder City Hospital Foundation board member and director, Leslie Woodbury

work has been featured in publications, events and various venues nationwide. Nicholas creates colorful comic-inspired pieces. We feature one of his pieces, Oakley, on all our collateral material.

This year, we're excited to have new food vendors and artists. Some popular vendors are returning including Out of Our Gourd, which offers hand-painted seasonal creations using gourds. These creations are so popular that they

usually sell out of their inventory on the first day.

Joah Thiel of Melodic Hardwood Drums features his beautiful music boxes and acoustic furniture.

Q. How does Art in the Park serve as a fundraiser for the hospital?

A: The hospital is a nonprofit organization that relies solely on funding from the foundation's efforts, private donations and a small percentage of state-allocated funds for rural communities.

Art in the Park is our largest annual fundraiser. We raise money through corporate sponsorships, artist registration and vendor booth space rentals. All the proceeds go directly to supporting the hospital. It allows for the purchase of capital equipment and building improvements.

Since 1995, we have raised more than \$8 million to secure big-ticket items such as orthopedic surgical equipment, a CT scanner, an EKG, an Ultrasound and a nuclear medicine system.

Q. Does the foundation organize other fundraisers?

A: We host a Heart of the Community Gala every spring, at which we honor an individual who's done a great deal for Boulder City. We honored Sara Denton this year for her devotion to Boulder City Hospital and Art in the Park.

The Gala is a formal dinner with a silent and live auction in the Boulder Creek Golf Club pavilion. We usually have 250 attendees. This year's event raised over \$200,000 for the hospital.

Q. What is the history of the Boulder City Foundation?

A: The Boulder City Foundation loosely started in 1964 with Art in the Park. Sara Denton and her friends, the Pink Ladies, knew the hospital was struggling. To help, they banded together and formed the Hospital Auxiliary Committee. The committee organized the first Art in the Park, bringing artists together and inviting the public to attend the event in hopes of raising funds through selling the art pieces.

That year, a famous artist from Arizona, James Swinnerton, was the featured artist. His art was displayed in Sara's house, directly across from the event's location.

The night before the event, Sara called the President of Valley Bank, Perry Thomas, and invited him to Art in the Park. He came that night and purchased every piece of Swinnerton's art. It hung in the Valley Bank for years, except for one piece, which was left hanging above Sara's fireplace. It remains there, today. The first year, the event raised \$2,500.

The Boulder City Hospital Foundation was officially formed in 1995 and has grown ever since. Every October, we raise between \$200,000 and \$300,000 for the hospital.

Q. Tell me about your background and why you joined the foundation.

A: I've lived in Boulder City for 35 years, and my husband has lived here his whole life. We love it here.

Before joining the foundation, I raised money to save the Boulder City Museum. The museum is housed in the back of the Boulder City Hotel,

Boulder City Hospital serves all the small outlying communities such as Laughlin, Bullhead City, Searchlight and Kingman, Arizona. It plays a vital role in serving our region. In case of an emergency, we have the resources to respond to anyone in those areas.

Tonya Harvey/Las Vegas Business Press

From left, Boulder City Hospital Foundation volunteer Paula Casey, Director, Leslie Woodbury, and volunteer Cheryl Bruner.

which was built in 1931. The hotel was closing, and we needed to raise money quickly. The museum couldn't keep up with its mortgage payments.

Over three years, we raised over \$1 million to pay off the museum's mortgage and keep it in operation.

I believe we must preserve our history because Boulder City is unlike any other small town between Phoenix and Los Angeles. We tell a national narrative here. In my opinion, if a city loses its history, it loses its identity.

Q. How would you like to see the foundation grow?

A: I would like to see the foundation raise money for more programs, such as awarding scholarships to medical students for their education and, in return, practicing in Boulder City. Also, there is a need to set up a grant program for patients who can't afford health care.

Next year, I hope to add fundraisers to raise money specifically for those two programs.

Q. How is Boulder City Hospital part of the community's history?

A: A consortium of private construction firms joined to build Hoover Dam, calling themselves Six Companies.

Six Companies constructed Boulder City Hospital in 1931 to serve the Hoover Dam workers and their families. In 1954, the hospital became a nonprofit organization dedicated to providing care for the community.

The hospital moved into its current location in the 1970s. For more than 90 years, Boulder City Hospital has adapted to the changing needs of the city and surrounding region.

Q. What is its mission in the community?

A: It is the only rural nonprofit hospital in Nevada. It is not supported by a taxing district, mining dollars or a corporate health system.

Our priority is to provide a safe and personalized experience for all our patients.

I believe our professional staff provides exceptional care for everyone.

Certified as a Critical Access Hospital, it offers services ranging from emergency care to long-term treatment. It provides primary care, acute care, physical therapy, surgery, radiology and lab services — and we're proud of that.

We work hard to embrace innovation and continually strive to improve our care and service. Our long-term care program is one of the best in the valley.

Q. What areas does the hospital serve?

A: Boulder City Hospital serves all the small outlying communities such as Laughlin, Bullhead City, Searchlight and Kingman, Arizona. It plays a vital role in serving our region. In case of an emergency, we have the resources to respond to anyone in those areas.

You don't have to drive to Las Vegas and wait months for services. There are never any crowds or long waiting times. You can always have an appointment. In fact, anyone can come here. It's like the best-kept secret.

Q. What is the biggest challenge facing the hospital and foundation?

A: Our biggest challenges are recruiting physicians who want to work in a rural community and funding.

Q. How can someone support the foundation?

A: You can support the foundation's efforts at different levels. A simple way is to attend Art in the Park and purchase items from our vendors. That encourages them to return every year. We plan to sell raffle tickets for \$2 apiece during the event, so people can buy one or more if they have a small amount of money to give. Also, we need volunteers. If anyone has time to give, they can call the foundation office. We rely on 180 volunteers for the two-day event.

Other ways are to attend our spring gala or support our December annual appeal. We ask everyone in the community to donate and support the hospital.

meet **LARRY**

ARTIST SPOTLIGHT

and his designer
Chuck Watkins

We are proud to announce the 2026 Art in the Park Featured Artist, Southern Nevada artist Chuck Watkins Art of Henderson. This is a true honor, and a moment we're incredibly excited to share. Chuck's work brings a rare kind of joy to the canvas, the kind that makes you pause, look closer, and walk away smiling. His featured piece, Larry's Bathhouse, captures that spirit perfectly. A desert tortoise enjoying a soak in a clawfoot tub, brought to life with charm, humor, and a personality all its own. It's imaginative, unforgettable, and exactly the kind of piece that makes Art in the Park so special. We can't wait to welcome Chuck back this year and celebrate his work alongside so many talented artists who make this event what it is.

WELCOME TO THE 62ND ANNUAL ART IN THE PARK FESTIVAL BENEFITING BOULDER CITY HOSPITAL

Together with more than 80,000 festivalgoers, hundreds of fine art, fine craft, and traditional artists and craftsmen, entertainment, and food and beverage outlets converging across the beautiful downtown parks in historic Boulder City, Nevada, we welcome you for a full weekend of community.

Hosted by the Boulder City Hospital Foundation, the 62nd annual Art in the Park festival welcomes patron sponsor Guardian Elite Medical Services along with the support of many local and community businesses.

Each year the Boulder City Hospital Foundation raises funds through its signature Art in the Park event, benefiting Boulder City Hospital. The funds raised support the ongoing needs of Boulder City Hospital, a 501(c)(3) nonprofit charitable organization. Boulder City Hospital is the only Rural Emergency Hospital (REH) in Nevada that is not supported by a taxing district, mining dollars, or a large corporate health system and relies on donations from the community and the efforts and events of the Boulder City Hospital Foundation.

Boulder City Hospital is a place of healing, and our priority is to provide a safe and equitable healthcare experience for all. We are committed to providing compassionate, quality care for everyone, and our diverse, caring and accepting professional workforce is dedicated to delivering exceptional patient care. Our rural emergency hospital provides emergency services, skilled nursing rehabilitation and therapy services, and long term and outpatient behavioral health care as well as easily accessible ancillary services including radiology, laboratory, same-day outpatient surgery, and a primary care and family practice clinic.

Established in 1995, the Boulder City Hospital Foundation is a separately registered 501(c)(3) nonprofit charitable organization whose purpose is to raise funds for capital equipment and needs-based improvements for the nonprofit Boulder City Hospital through fund development, special events like Art in the Park and the Heart of the Community Gala, and donor contributions. Every dollar raised is distributed directly into areas of need within the Hospital, and over the past sixteen years, the Foundation has raised over \$8.5 million, providing new equipment for radiology, rehabilitation, emergency, long term care, dietary, and other departments.

Art in the Park is a labor of love and would not be possible without the continued support of our sponsors and our community. Hundreds of volunteers have helped to make Art in the Park a favorite among artists, crafters, and visitors alike. We work in lockstep with the City of Boulder City and City staff, our community service providers, and Hospital staff, and are forever grateful for their dedication, commitment, and passion for the success of the annual Art in the Park festival.

Thank you for attending the 2026 Art in the Park festival. Your support is appreciated!

Sincerely,
Thomas Maher
Chief Executive Officer
Boulder City Hospital

THANK YOU SPONSORS

The Better Way to a Better Window®

WELCOME TO THE 62ND ANNUAL ART IN THE PARK FESTIVAL BENEFITING BOULDER CITY HOSPITAL

For many in Southern Nevada, a treasured indication that Autumn is officially on the way appears as temperatures start to lower, days get a bit shorter, and the beloved Boulder City Art in the Park outdoor festival makes its appearance the first weekend of October. The signature fundraising event hosted by the Boulder City Hospital Foundation, all proceeds benefit Boulder City Hospital. Boulder City Hospital (BCH) is a 501(c)(3) nonprofit, private Rural Emergency Hospital.

Our Hospital is not supported by a taxing district, mining dollars, or a corporate healthcare system, and relies on donations from the community and the efforts of the Boulder City Hospital Foundation. The Boulder City Hospital Foundation is a separately registered nonprofit 501(c)(3) charitable organization established in 1995 to raise funds for capital equipment and improvements in support of our community Hospital and in the past sixteen years has raised over \$8.5 million through fundraising events such as Art in the Park, the Heart of the Community Gala, and Annual Appeal campaign.

The annual Art in the Park outdoor festival draws nearly 80,000 visitors and is comprised of a varied and exciting range of fine art, fine craft, and traditional artists along with a midway of culinary delights and live entertainment. It is widely recognized as the largest outdoor art festival in the Southwest! This year's event features hundreds of artisans located throughout the heart of Boulder City among its four beautiful parks.

For over 90 years, the Boulder City community has remained committed to providing its residents with exceptional healthcare—an effort that traces back to Herbert Hoover's ambitious vision to harness the power of the Colorado River. The construction of the Hoover Dam, a marvel of Art Deco design, was overseen by Six Companies, the consortium tasked with building the structure. Thousands of workers flooded into the area to take part in this monumental project. Recognizing the demanding and often hazardous nature of the job, Six Companies built and established a dedicated medical facility to care for the workforce.

As the early 50's rolled around, and with the Dam project long completed, it was decided by the government to close the Hospital facility. When the residents of this quaint, beautiful town heard the news it sent them into a grassroots mode with the sole aim of saving the Hospital and establishing a nonprofit resource for its residents. Through hard work and innovative thinking, the Women's Hospital Auxiliary organized the first Art in the Park event in 1962 in Ralph and Sarah Denton's back yard to go along with other fundraising events.

As one of the city's largest events, Art in the Park wouldn't be successful without the combined efforts of members of our communities. It is the hard work of the Boulder City Hospital Foundation, Hospital staff, Boulder City Chamber of Commerce, Boulder City Police and Fire Departments, Boulder City Parks and Recreation, and the City of Boulder City, who make this festival successful. Everyone who can help comes out to set up the area days before the show. Countless hours of setting up booths, registering hundreds of artists and being sure that every little detail is covered.

A full spectrum of artists and craftsmen can be found at this spectacular event. Guests shop and indulge in delectable fare and refreshments at any number of food and beverage booths. Art in the Park always features a variety of food choices from hot dogs, hamburgers, roasted corn on the cob, barbecue sandwiches, Italian, Mexican, Greek, and Chinese fare to desserts and ice cream. Entertainment is a standard at Art in the Park. While strolling the parks and viewing artist works, guests are welcome to relax in the shade at Bicentennial Park with refreshments while enjoying the stage entertainment from Boulder City's gazebo. Since the inception of the festival every talented artist has donated one original piece to the Art in the Park raffle. That tradition continues today, making every raffle prize a "hot treasure!" Raffle tickets are available at the raffle booth at the west end of Bicentennial Park. Raffle winners will be notified by phone and may pick up their prizes at the event or at the Boulder City Hospital Foundation office.

For more information about Art in the Park please visit www.artinthepark.org or contact the Boulder City Hospital Foundation at (702) 293-0214.

BOULDER CITY PRIMARY CARE • 999 ADAMS BOULEVARD • BOULDER CITY, NEVADA 89005

Boulder City Hospital, established in 1931, is a private, nonprofit 501(c)(3) charitable organization committed to providing compassionate, quality care for our patients and the communities we serve.
Boulder City Hospital is an equal opportunity provider and employer.

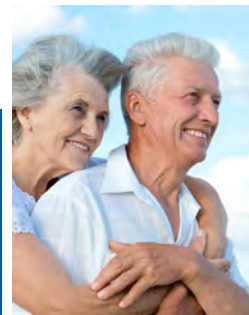

Boulder City Hospital

COMPASSIONATE. QUALITY. CARE.

Boulder City Hospital is the only Rural Emergency Hospital in Nevada not supported by a taxing district, mining dollars, or a corporate health system, and relies on the Foundation and your contributions to support its mission to serve the health and well-being of the residents of Boulder City and the surrounding areas as well as visitors to our area.
